My sweet Granny Mae, I will always cherish our weekly goodwill runs and fazolis. There will never be a day that goes by that I won't think of your sweet smile and your mean mugs. I loved when you would point them crooked fingers and dance. My boys will always remember there old mawmaw. I will always miss our sewing sessions and our frequent bathroom stops or the time you couldn't wait one minute for me to help you and you hit ice and went down and I followed. This is not a goodbye this is a see ya later. Love you always my sweet granny Mae. RIH you beautiful soul. PS I know it was you the last couple days sending me signs from heaven and I thank you every time for that.
