Condolence from Trish Palmer Tarr

Robinson family, I am sorry for your loss. I am the granddaughter of Glenn Palmer. Grandpa and Kenny were friends for a long time. I can remember Kenny's visits and all the stories they use to tell back and forth. They were always laughing. Rest in peace Kenny. Hope you and Grandpa are catching up.

A man of such kindness, warmth and love- maybe some of it was due to his old adage we always heard at reunion "always eat dessert first". Blessed to have had such a great uncle in our lives. May memories bring you comfort at this time. Love and hugs, Dana Kay and family. Ken and Ann and family

Vickie, Ron & Mary Ann, you were the true angels for this simple and humble man. Thank you for the privilege of my getting to know him by an occasional visit. May God be with you in your grieving of this loss.
