I am very sorry to learn of your loss of Robert. It is difficult to know just the right words that will give you comfort. The Bible has just what we need when we have lost a loved one, like Robert. It tells us at Revelation 21:4 that God will end death, tears, pain and mourning. He will not forget us. (Isaiah 49:15) May these thoughts help comfort you and give you hope.

Dear Caudill Family,  
I did not know Robert but I live in Lorain and was saddened to hear of his death and the tragic manner in which it occurred. From my understanding Robert was a good person trying to provide for his family. His loss must be overwhelming for all who loved him. Please know that he will be watching over all of you and his children. I pray that you find comfort and healing knowing he was a good person. Now his job is over here on earth and God needs him in heaven.

I'm sorry for the loss of Robert. I knew him from back in our younger days. He was a great man and would help anyone in need. He had a big heart and always knew what to say. I miss my friend for sure. May your kids make it through and may you rest in peace. Give Kendra a big hug for me Robert. Xoxo
